Foreword

TO THE TRADE:

We take pleasure in presenting our 1932 contract and general trade list.

An institution grows as it is capable of serving well its many customers: WE serve the discriminating trade what they demand: MERIT FLOWER SEEDS.

We are justly proud of the esteem and favor our stocks have attained, and devote all our energies to the perfecting of strains and the breeding up of new varieties.

We extend to the seed trade a most cordial invitation to visit our experimental and trial grounds and our extensive ranches, and personally acquaint themselves with the purity of our cultures.

We again welcome the opportunity to thank our patrons for their generous support in the past and will do our utmost to justify their continuance.

GENERAL CONDITIONS OF DELIVERY

For every order, we agree to plant sufficient land to produce the desired quantity of seed under normal conditions.

Should the outcome of the crop be lower than our estimation, orders will be filled pro rata only.

Crop failure or any other cause beyond our control releases us entirely from delivery.

We give no warranty, express or implied, as to description, purity, productiveness, or any other matter of any seeds we sell, and we will not be in any way responsible for them.

TERMS

All seeds are quoted f. o. b. Guadalupe, California, for delivery after harvest crop of 1932, 60 days acceptance net, less 2% cash thirty days.

All overdue accounts subject to sight draft without further notice.

Bags and containers will be charged at cost and are not returnable.

While we are confident prices given in this catalog are very reasonable, we shall be pleased to have the opportunity of meeting any reasonable competition of houses of repute.

No order filled for less than a quarter pound except where ounce prices are quoted.

We reserve the right to change any prices in this list after May 1st, 1932.

WALLER-FRANKLIN SEED COMPANY

NOVELTIES INTRODUCED BY WALLER-FRANKLIN IN 1931

* * * * *

NEW ANTIRRHINUM MAJUS AUTUMN GLOW—Autumn Glow is a lovely new Snapdragon somewhat after the color tones of the popular Harmony, only much softer and more pleasing. Autumn Glow can be best described as a beautiful old rose, strongly shaded terra cotta, with a golden lip. The general color giving the effect of soft autumn tones. Price per oz. \$4.00, per $\frac{1}{4}$ lb. \$12.00, per lb. \$40.00.

NEW COSMOS EARLY EXPRESS WHITE-CRIMSON—In 1929 we had the pleasure of introducing a Pink variety of this new very early flowering Cosmos, which will produce flowers from seed in forty-five days. We are now able to introduce two additional colors which completes the color range. Cosmos Express Crimson. Cosmos Express White. Price per oz. \$0.50, per $\frac{1}{4}$ lb. \$1.50, per lb. \$5.00.

NEW DELPHINIUM ANNUAL (Chinensis) CAMBRIDGE BLUE—For a number of years we have worked to produce a really good light blue in the Delphinium Annual or Chinensis class, similar in color to the well known Belladonna in the perennial Delphinium. We have succeeded better than we expected and have a Blue Annual or Chinensis Delphinium far surpassing Belladonna in brilliancy. It is a rich, clear Blue. Habit of growth about two to three feet high and should make a very fine cut flower. Price per oz. \$1.50, per $\frac{1}{4}$ lb. \$4.50, per lb. \$15.00.

NEW LARKSPUR GIANT IMPERIAL GLORIA—A rich tone of Deep Rose with no trace of carmine. Gloria will satisfy the desire of those who want a deeper shade of rose than Exquisite Rose. Gloria is a Deep Rose colored Larkspur quite distinct, and we believe it will become a favorite with the florist and home gardener. It is a true Giant Imperial with the base branching habit so necessary for producing long stemmed blooms. Price per oz. \$1.00, per $\frac{1}{4}$ lb. \$3.00, per lb. \$10.00.

NEW LARKSPUR GIANT IMPERIAL PEACH BLOSSOM—A very delicate clear tone of Light Pink. Peach Blossom is a most attractive addition to the base branching Giant Imperial group now so popular. Peach Blossom charts in Ridgway as Hermosa Pink. It is a real clear Light Pink with no trace of salmon. Price per oz. \$1.00, per $\frac{1}{4}$ lb. \$3.00, per lb. \$10.00.

NOVELTIES INTRODUCED BY WALLER-FRANKLIN IN 1931—Continued

* * * * *

NEW AFRICAN MARIGOLD LEMON ALDOUBLE—A companion to African Orange Alldouble, and produces the same high percentage of large closely quilled heads, with a very small percentage of loosely formed heads, which are equally beautiful and useful for cutting. The singles have been practically eliminated. Price per oz. \$1.50, per $\frac{1}{4}$ lb. \$4.50, per lb. \$15.00.

NEW POPPY SHIRLEY DOUBLE BEGONIA FLOWERED SWEET BRIAR—One of the most popular colors and also the best seller in Shirley Poppies has been Wild Rose Pink. We now offer this most beautiful color in a Begonia Flowered Double type which we have named Sweet Briar. Sweet Briar is a delightful shade of deep Rose-Pink. The blossoms are full double, resembling a very large double begonia. Price per oz. \$0.70, per $\frac{1}{4}$ lb. \$2.10, per lb. \$7.00.

NEW SUMMER OR LATE SWEET PEAS

BON-BON—Rich Pink with a glorious shading of Amber combined with great vigor of growth, tremendous length of stem and flowers of enormous size. The glowing richness of color in Bon-Bon destines it to supersede such popular varieties as Magnet and Idyl. Price per oz. \$0.50, per $\frac{1}{4}$ lb. \$1.50, per lb. \$5.00.

PIRATE GOLD—Golden Orange, deeper than Guinea Gold and lighter than Prince of Orange. Pirate Gold is quite a new shade in this group and withstands our hot California sun better than any other variety in this color class. Pirate Gold is a strong vigorous grower, the flowers are well formed and its color is the most pleasing of the Golden Orange group. Price per oz. \$0.50, per $\frac{1}{4}$ lb. \$1.50, per lb. \$5.00.

ROSIE—Deep Rose-Pink, the Florists' popular color. Richer and deeper in color than Pinkie, with all the vigor and robustness necessary to make it a first-class Sweet Pea. Rosie is vastly superior to all other varieties in the rose-pink class, and easily tops the list of varieties such as Hercules, Hebe and Pinkie. Price per oz. \$0.50, per $\frac{1}{4}$ lb. \$1.50, per lb. \$5.00.

NEW EARLY FLOWERING SWEET PEAS

FASCINATION—A child of two famous parents, Early Jeanne Mamitsch X Late Hawlmark Pink. Early Fascination is a combination of color, vigor and stems bred for the exacting specifications of the florist. An Early Flowering Sweet Pea with the Salmon Rose-Pink color of the famous Late Hawlmark Pink plus the long, strong stems that have made the Early Jeanne Mamitsch so popular as a commercial Sweet Pea. The color is even a richer, deeper Salmon Rose-Pink than Hawlmark Pink. Price per oz. \$0.50, per $\frac{1}{4}$ lb. \$1.50, per lb. \$5.00.

SATIN ROSE—Early Imperial Pink X Late Venus. An exceedingly vigorous Early Flowering Sweet Pea with long stems. The color is an exquisite blend of Rose and Amber with quite a strong touch of Salmon. Price per oz. \$0.50, per $\frac{1}{4}$ lb. \$1.50, per lb. \$5.00.

* * * * *

NEW VERBENA GRANDIFLORA LAVENDER GLORY—Twelve years ago we selected a magnificent Lavender colored Verbena of immense size. For twelve years we have worked steadily to true up and improve this selection and finally we have succeeded in producing what we consider the most glorious color in Verbenas—a true Lavender, which has not heretofore existed. Verbena Lavender Glory is a true Lavender with a medium sized creamy white eye which accentuates the lovely Lavender tone. The color runs quite even, and the individual florets will cover a fifty-cent piece. It is also distinctly and sweetly fragrant. We offer Lavender Glory with a great deal of pride as the finest Verbena we have ever introduced. Price per oz. \$5.00, per $\frac{1}{4}$ lb. \$15.00, per lb. \$50.00.

NEW ZINNIA CALIFORNIA GIANT OR MAMMOTH DAFFODIL—Bright Canary Yellow, so resembling Narcissus King Alfred in color, that we thought the name of Daffodil would be most appropriate. To date this color has not existed in the Mammoth group. Price per oz. \$1.00, per $\frac{1}{4}$ lb. \$3.00, per lb. \$10.00.

NEW ZINNIA CUT AND COME AGAIN PINKIE—Medium sized flowers of light Rose-Pink with long stems especially suitable for cut flowers and for massing in the garden. A continuous succession of blooms are produced throughout the summer, making the name Cut and Come Again most appropriate. The dainty color and form of Pinkie are so charming as to quite overcome the criticism of coarseness so often complained of in Zinnias. Price per oz. \$0.80, per $\frac{1}{4}$ lb. \$2.50, per lb. \$8.00.

NOVELTIES INTRODUCED BY WALLER-FRANKLIN IN 1930

CARNATION CHABAUD'S ENFANT DE NICE

Carnation Enfant de Nice is the result of a cross between Carnation Chabaud's Giant Improved and Carnation Perpetual. The plants are of robust, upright habit, with long, strong stalks bearing flowers 2½ to 3 inches in diameter. This strain is magnificent and is so far, the last word in annual Carnations. The color comes about 75% true from seed and about 90% of the plants come double.

LARKSPUR GIANT IMPERIAL

As the base branching habit of this group of Larkspurs is identical with the base branching habit of Giant Imperial Stock, we have decided to name this group Giant Imperial. These Larkspurs are ideal for cut flowers as the flower stems, three to four feet long, branch from the base of the plant. This group really originated with the introduction of Exquisite Pink Improved and Exquisite Rose, both of which received an "Award of Merit" from the Royal Horticultural Society in 1929.

COLOR CLASSIFICATION

In view of the numerous Sweet Pea introductions, it seems necessary to set up a classification according to color.

Every year we make careful color comparisons of the older varieties and the latest introductions and are in an eminent position to judge their respective merits.

We now take pleasure in submitting a color classification of the Standard Spencers.

The variety we consider best in each color class is indicated by an asterisk (*).
